Jesus went from town to town.
Happy people gathered round.
They all came to hear good news.
Jesus' friends would listen, too.

Thomas was a
friend who heard.
He believed in
Jesus' words.

There were some who did not care
For the news that Jesus shared.
“We will stop him,” was their vow.
Jesus was in danger now.

Jesus told his closest friends,
“Let’s go to Jerusalem.”
His disciples all were scared.
Jesus might be captured there.
Thomas was not frightened, though.
“I will go where Jesus goes!”
