One dark, dark night in Bethlehem,
a shining star appeared,
announcing to the whole wide world
the newborn King is here!

Let's learn the story. It is true!
This starring King was born for you!

Out in the desert, very far,
these wise men stared up to the stars.
Each night they looked up high to see
what heavenly message there might be.

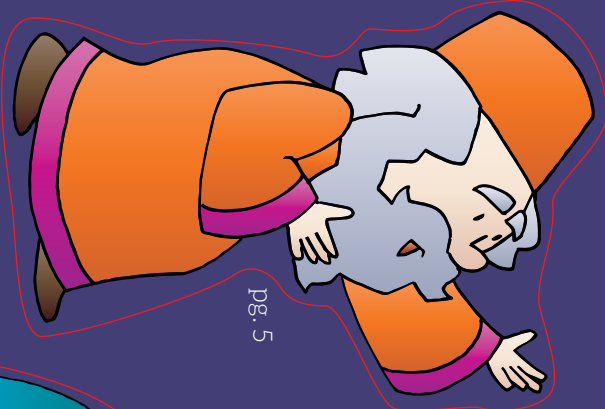

Each night the sky looked the same,
until that night the new King came!

A Star is Born!

The Story
of the Wise Men

When Christ was born, God announced his Son's birth in the starry sky for all the world to see! Wise star-watchers from an eastern land were the first to read God's heavenly message. They set out to seek the newborn Star of Bethlehem, and people still seek him out today!

This Stick-With-Me Bible Story booklet celebrates those first attentive travelers, the Wise Men from the East, based on Matthew 2:1-11.
