**God Bless Us, Every One**  
 Encountering Christ in Charles Dickens'  
*A Christmas Carol*  
 By Michael Hoy

Reflect on passages from *A Christmas Carol* by Charles Dickens in a way that ties the transformation of Ebenezer Scrooge to our journey of faith. In the same way that Scrooge moves from crusty curmudgeon to kindhearted gentleman, revealed most clearly in his change of heart toward Tiny Tim, so we move from enemies of God to friends through the birth of the Lord Jesus, who came to save us from our past and present that we might be blessed in all our future days.

## My Very Own Christmas Carol Storybook

Discovering the Christchild of Christmas  
Past, Present and Yet to Come

By David Mead

Introduce children to the characters in Charles Dickens' beloved story, *A Christmas Carol*, in a way that places new focus on the true past, present and future of Christmas joy—our Lord Jesus. Just as Ebenezer Scrooge was changed by looking back, looking around him and looking to the future, we can all celebrate the Advent truth that Jesus was welcomed long ago in a Bethlehem stall, is welcome each day in our hearts and has promised to one day welcome us to our heavenly home. Remove the activity sheet in the center of each book to create a Christmas Carol playset. Each day of December, the Christmas characters share how God blesses us and prompt us to be a blessing to others. Ages 5-12.

## Waiting in the Light Daily Prayers for Advent

By *Steve Givens*

Sometimes, Advent can seem like a dark and dreary time of year. We may have less daylight or become more stressed by the hustle and bustle that is all around us. In *Waiting in the Light*, author Steve Givens provides an inspiring prayer, accompanied by Scripture, for each day of the season. Being attentive to prayer and God's Word allows us to see the light shining through the darkness. Through prayer and reflection, we see Jesus, the Light of the World, this Christmas.
