Jesus Christ is Risen Today

Join us as we
celebrate King Jesus!
He lives and reigns
forever!

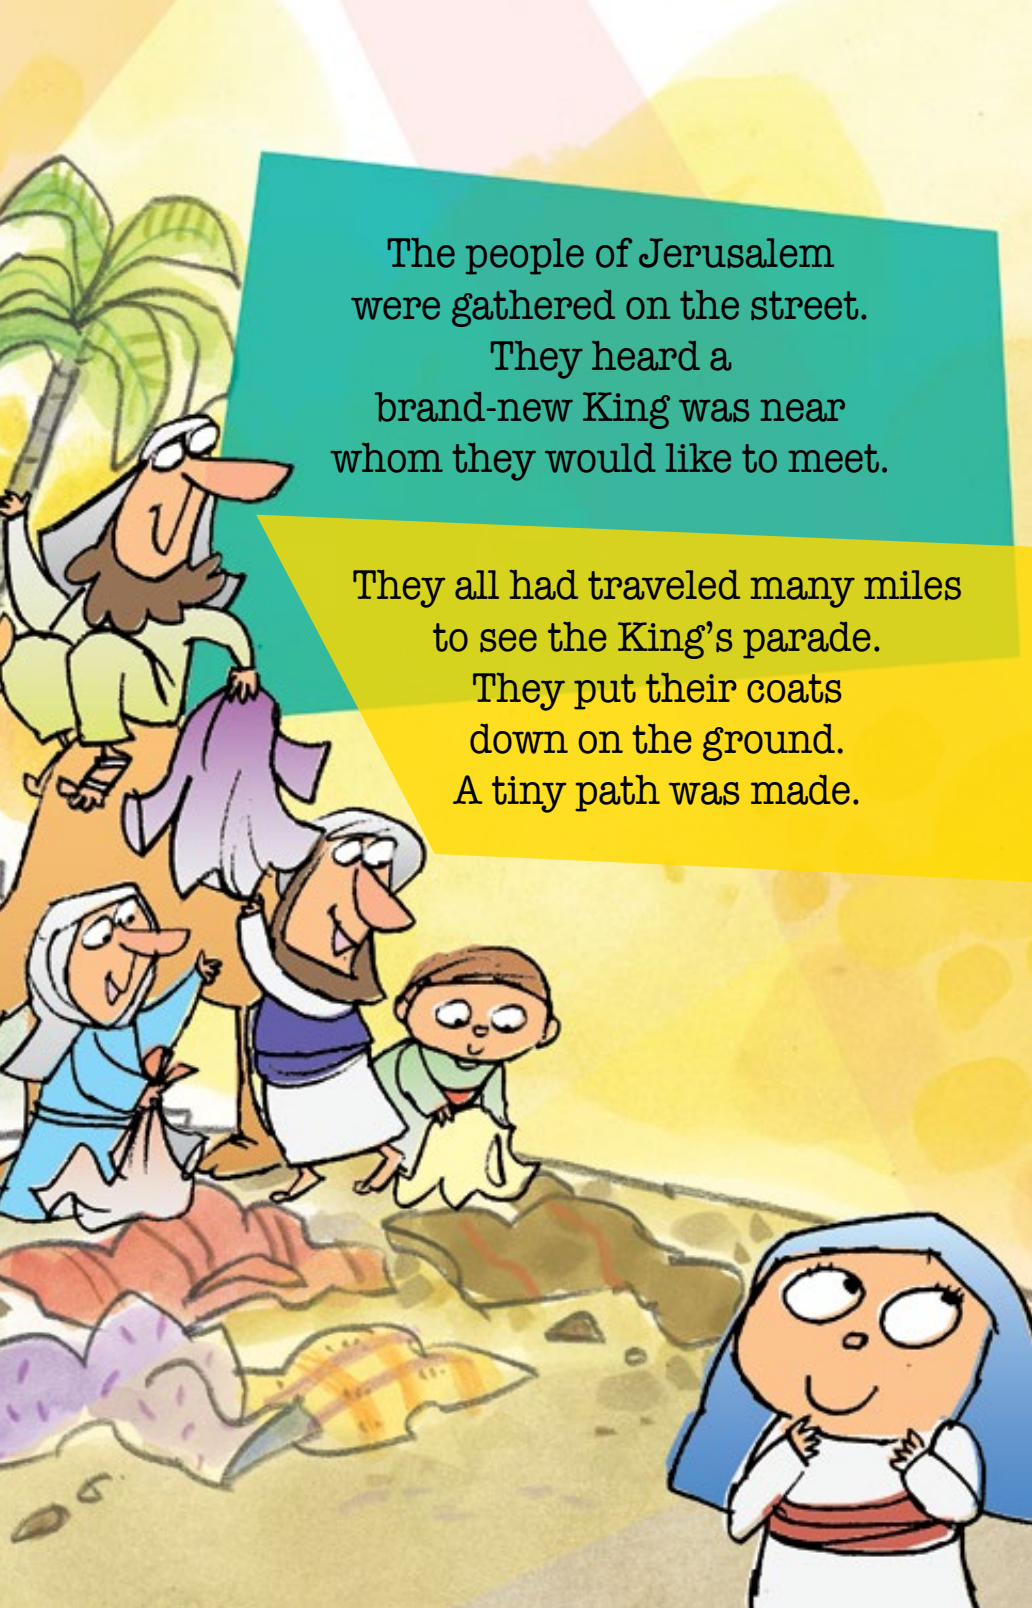

We were going to save the surprise until the end of this booklet, but the news is too good to keep quiet:
Jesus Christ is risen today!

We have exciting stories to read, fun games to play and pages of pictures to color, all to help remind us that Christ is risen! **He is risen indeed!**

A Palm Parade

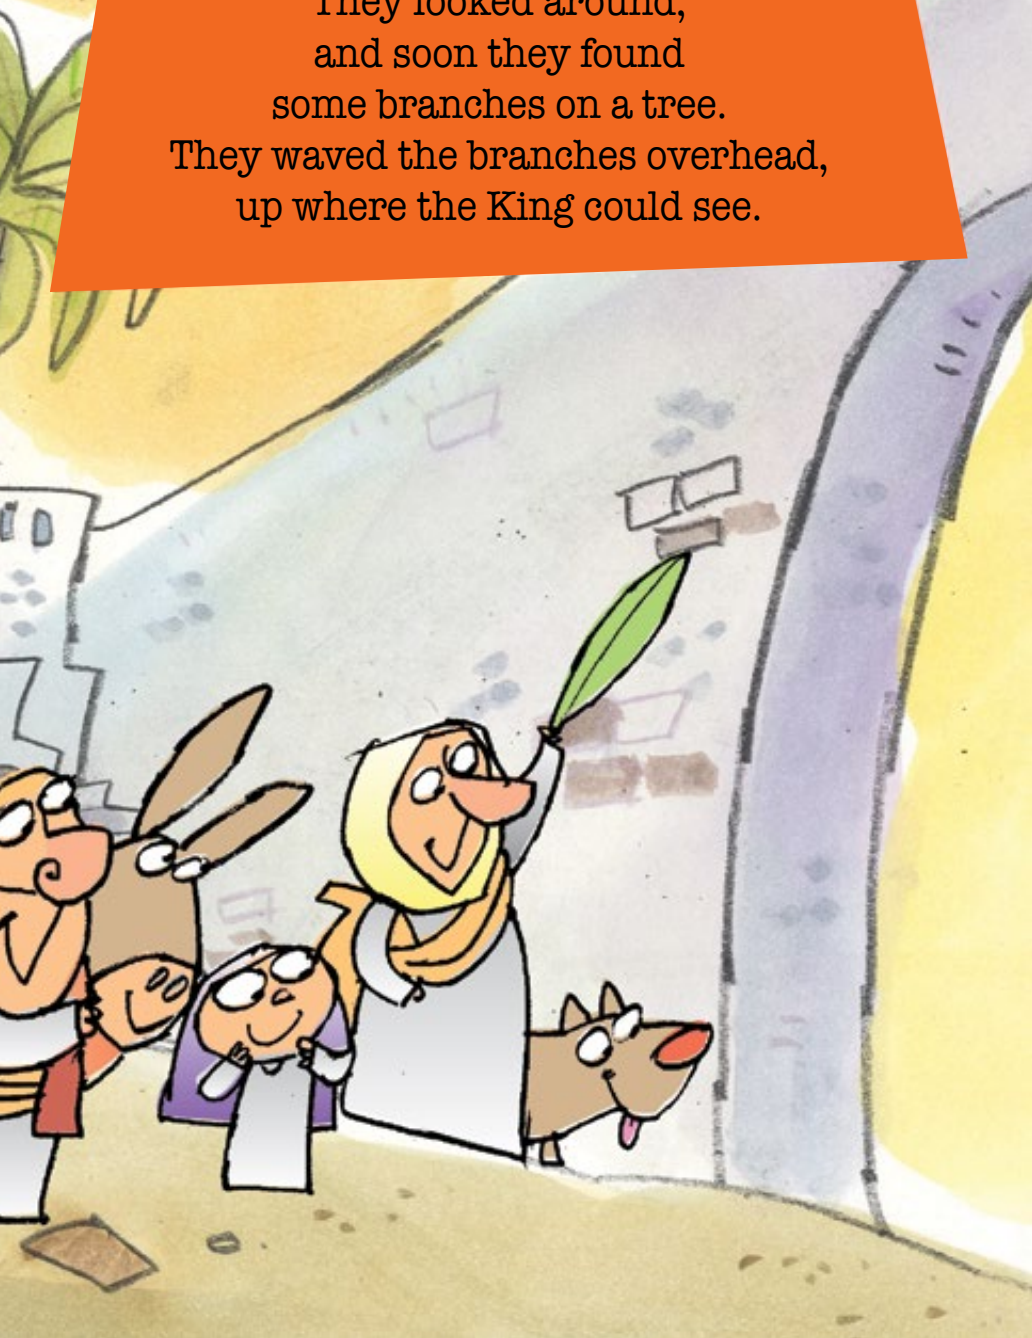

The people of Jerusalem
were gathered on the street.
They heard a
brand-new King was near
whom they would like to meet.

They all had traveled many miles
to see the King's parade.
They put their coats
down on the ground.
A tiny path was made.

They looked around,
and soon they found
some branches on a tree.
They waved the branches overhead,
up where the King could see.

Jesus Christ is Risen Today

Look! The tomb is open wide!
Look! Nobody is inside!
Go and tell! Shout, "Hip Hooray!
Jesus Christ is risen today!"
